AFFORDABILITY
enroll.utdallas.edu/affordability
We understand that going to college is a big investment — and will be one of the most important decisions you’ll ever make. Last year, 68% of our students graduated with no student debt.

Many programs exist to help students and families pay for college, which are made up of grants based on financial need, merit scholarships, loans and Federal Work-Study.

All first-time college freshmen admitted to UT Dallas by December 1 are automatically reviewed for the Academic Excellence Scholarship and the Top 10% Scholarship. Other freshman scholarships include the Eugene McDermott Scholars Program, the National Merit Scholars Program, the Terry Foundation Scholarship and the Diversity Scholars Program.

FRESHMAN ADMISSION
